Senior Prophecy

QN NOWONDER 66 15-16 1999, I was testing a bottle of nitro-glycerine to see if it would explode. I threw it down in disgust, and when I lit, I might have been hurt, but a cement sidewalk broke my fall. Glancing up, I saw a little *Melanerpes erythrocephalus coccyzus erythrophthalmus* (cuckoo to you) and he twittered, in a twittering tone, the following twitters to me: "So and behold!" John C. Miller, the answer to a maidens prayer, has been found brutally mailed into unconsciousness. John said that when Bob Simons, the iceman came into John's kitchen to see Mrs. Miller (formerly Mabel Rountree), he thought that John was a rival and threw him into Lester Delong's bedroom. Lester, upon being awakened, beat John up, and the authority set Fred Bunke alias Philco Pants on the case to see who was guilty. Fred put everybody concerned in the Hume jail, where a reunion of the class of '31 was held. It was discovered that Ralph Bowsher was in for throwing grapefruit at Gertrude Baechler, authoress of "Ten Nights In Harley's Speakeasy" a play making Harley Stumbaugh's Stamping Speakeasy famous. Denatured Al, official bouncer in Lloyd's Luscious Likker Palace, was really Bob Pryer. Professor Bob McMillen has talked to the boss of Mars and made arrangements by radio. Umptien Spyker (L. K. are the initials) invented a rocket plane *airway* to Mars.

Society note: The announcement of Minerva Miller's engagement to Obediah Benedum was made at a skeeing party at the country club. After being married, the couple will visit the Canary Islands via Kenneth Beeler's new rocket liner, where the bride will teach canaries to sing the Stien Song. They will take up a residence in Hume where Gerald Spyker is mayor and Wm. McClain dogcatcher. Gladys Powell is teaching Spanish at Shawnee, and says that Harry Shook's quadruplets are very bad boys. Harry is an admiral in the Swiss navy. Juanita Bowersock is defendant in a suit (blue serge) concerning homewrecking. Evelyn Tam is suing Sox because Sox vamped Evelyn's pet ant-eater. Judge Mid Umbaugh ruled the ant-eater guilty and had Hazel Verbryke shoot it. Ella Strawbridge is in grand opera under the name of Lena Genster. Carmen Dardio and Marjorie Coon were there last year, but now they have male stage hands. "Imogene Giffin's advice to the soleworn for today is to get a new pair of shoes." This was taken from the weekly Blah, the editor of which is Lilas Donovan. The star reporter of this is Yvonne Sellars, who learned from Rosella Zuber, who is now B. B. coach at Ella Lee's select School for Trained Flea Owners. Harold Neepier is now a pitcher on the Podunk Palpitators, a crack team second only to the Petowski Phlabbergasters, coached by Mary Bauer. Winona Miller and Erma Mauk are in cahoots with Edna Burtchin in a factory making warts for pickles."

And then I rolled over!

THE JUNIOR Class left a good record in most every line of scholastic work. The Junior play, "The Hidden Guest," was a great success and displayed a good all-round cast. The success of the play made possible the Junior-Senior Hop, in which the Juniors gave the Seniors a jolly time.

Several parties were given during the year, a Halloween, and others for the purpose of teaching the members of the class to dance. The class did not lack for recreation in that line.

In athletics the class did its share, contributing to the Football, Basketball and Baseball teams. The Glee Clubs, both Boys' and Girls', contained quite a few Juniors. The Juniors dominated the Chief Staff although only two were placed on the Quilna Staff.

Much of the success of the class was due to Miss Bush, the Faculty advisor. An even better showing would have been made by the class, had not Jack McCoy, the class President, been injured and removed from the activities.

THE SOPHOMORE Class is well represented in many high school activities. On the girls' Varsity Basketball squad from our class were the following; Lois Yoakam, Orlefa Sands, Joy Day and Breta Crites. Breta has won two letters. James Dawson won a letter in Varsity Basketball.

James Anspach and William Beeler represented Shawnee in the baritone and tenor solo at the District Eisteddfod at Elida.

Nine members of the orchestra are Sophomores.

Madeline Little won a letter as Cheer leader this year.

Under Mrs. Johnson's direction our group has done much in attaining the things which help to make high school life worth while.

COACH PUGH

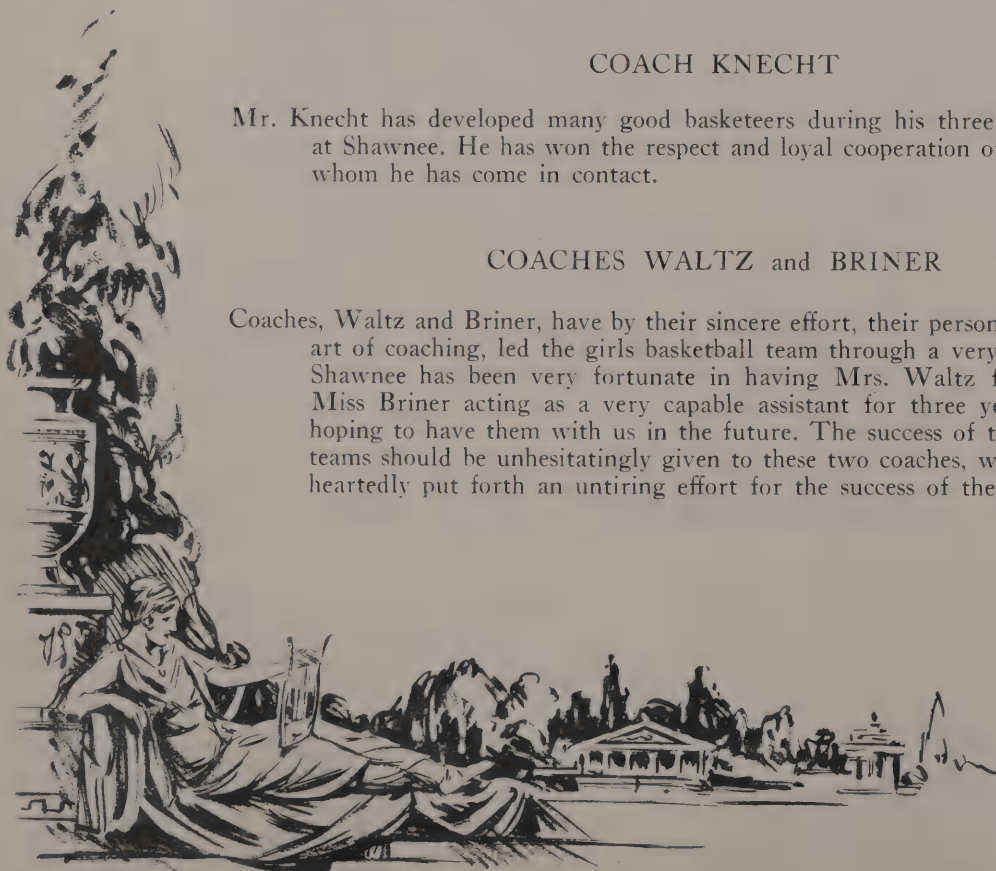

Mr. Pugh has proved to us his ability as a football coach by his agreeable disposition, everlasting patience and his zealous love for all sports. He has won the responding confidence and affection of all the boys. He surely fulfilled all the requirements of a successful coach.

COACH KNECHT

Mr. Knecht has developed many good basketeers during his three years of coaching at Shawnee. He has won the respect and loyal cooperation of all the boys with whom he has come in contact.

COACHES WALTZ and BRINER

Coaches, Waltz and Briner, have by their sincere effort, their personal experiences and art of coaching, led the girls basketball team through a very successful season. Shawnee has been very fortunate in having Mrs. Waltz for five years and Miss Briner acting as a very capable assistant for three years. We are still hoping to have them with us in the future. The success of the girls basketball teams should be unhesitatingly given to these two coaches, who have so wholeheartedly put forth an untiring effort for the success of the team.

SHAWNEE'S football team did not make such a good record as far as winning games were concerned. But considering the fact that eight lettermen were lost by graduation, Jack McCoy injured the first part of the season and the team suffering "boils" throughout the season, we feel that we had a pretty good record.

The Indians started the season with a scoreless tie with Columbus Grove for the third consecutive year.

The next game was the first one at home and lost by one touchdown.

One week later the boys made history for the school by playing the first game under floodlights at Celina. Celina was one of the class A schools to which Shawnee lost.

Shawnee lost to Pandora by one touchdown but it is not considered the most sportsman-like manner in which they got it.

We suffered our worst defeat in the hands of Bluffton by a score of 38-0 which we should not feel disgraced considering the fact that four of our regulars were on the injured list and this was the smallest score that they run up on any class B team this season.

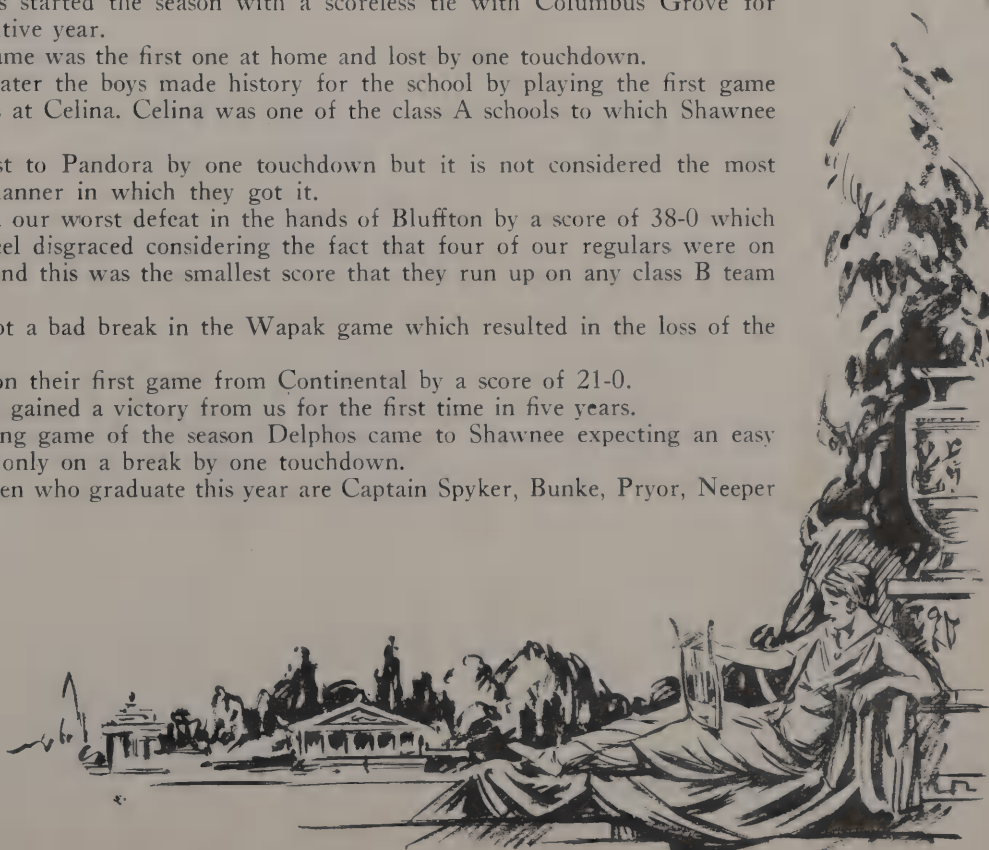

The boys got a bad break in the Wapak game which resulted in the loss of the game.

Shawnee won their first game from Continental by a score of 21-0.

Waynesfield gained a victory from us for the first time in five years.

As the closing game of the season Delphos came to Shawnee expecting an easy victory but won only on a break by one touchdown.

The lettermen who graduate this year are Captain Spyker, Bunke, Pryor, Neepner and Simons.

COLEMAN

Clyde was able to analyze a play and "nip it in the bud". He was a hard tackler and to be feared by any player within his reach. "Sam" has one more year to show his "stuff".

LEE

Lyle carried a very responsible job this season as signal caller which held the opponents in suspense all the time.

SPYKER

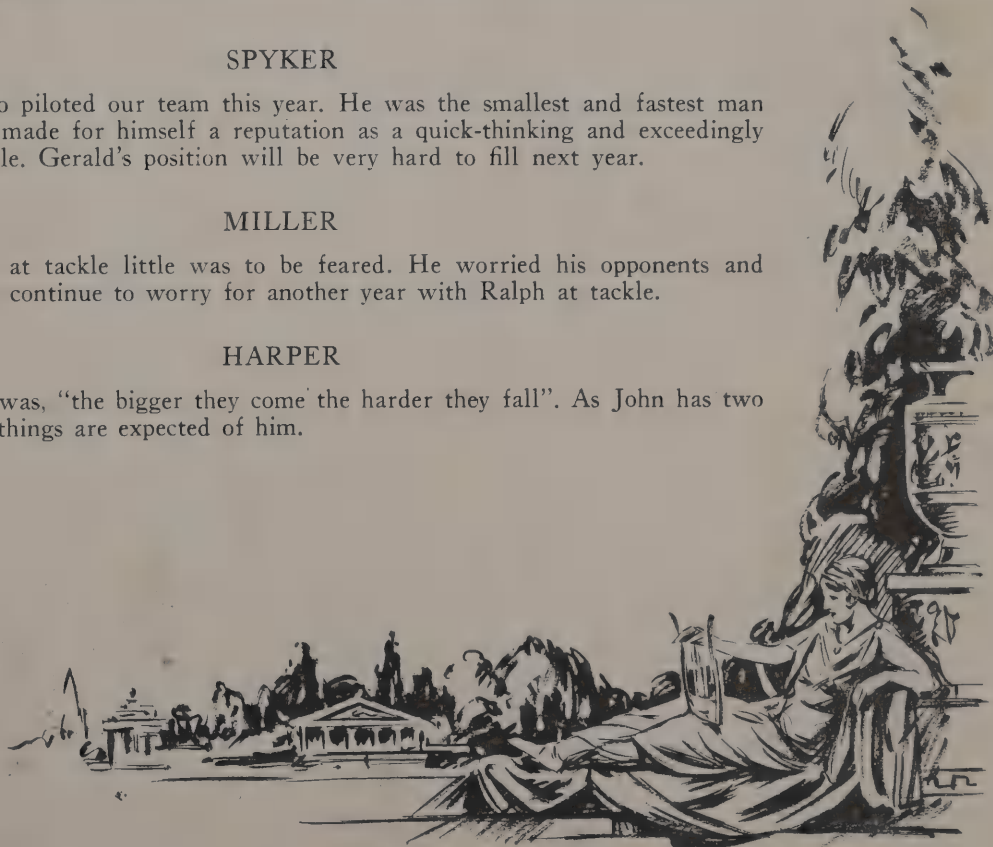

The boy who piloted our team this year. He was the smallest and fastest man on the team. He made for himself a reputation as a quick-thinking and exceedingly hard man to tackle. Gerald's position will be very hard to fill next year.

MILLER

With Ralph at tackle little was to be feared. He worried his opponents and they shall have to continue to worry for another year with Ralph at tackle.

HARPER

Red's motto was, "the bigger they come the harder they fall". As John has two more years great things are expected of him.

STRIFF

R. KUNKLEMAN H. KUNKLEMAN

BUNKE

DAWSON

STRIFF

The only Freshman breaking into the lineup this year performed well at half back. Dick did the passing and some punting. Great things are expected of Dick.

KUNKLEMAN

Rolland upholding the name, played a fine game at tackle and slipped one over on the referee once in a while by catching a pass.

KUNKLEMAN

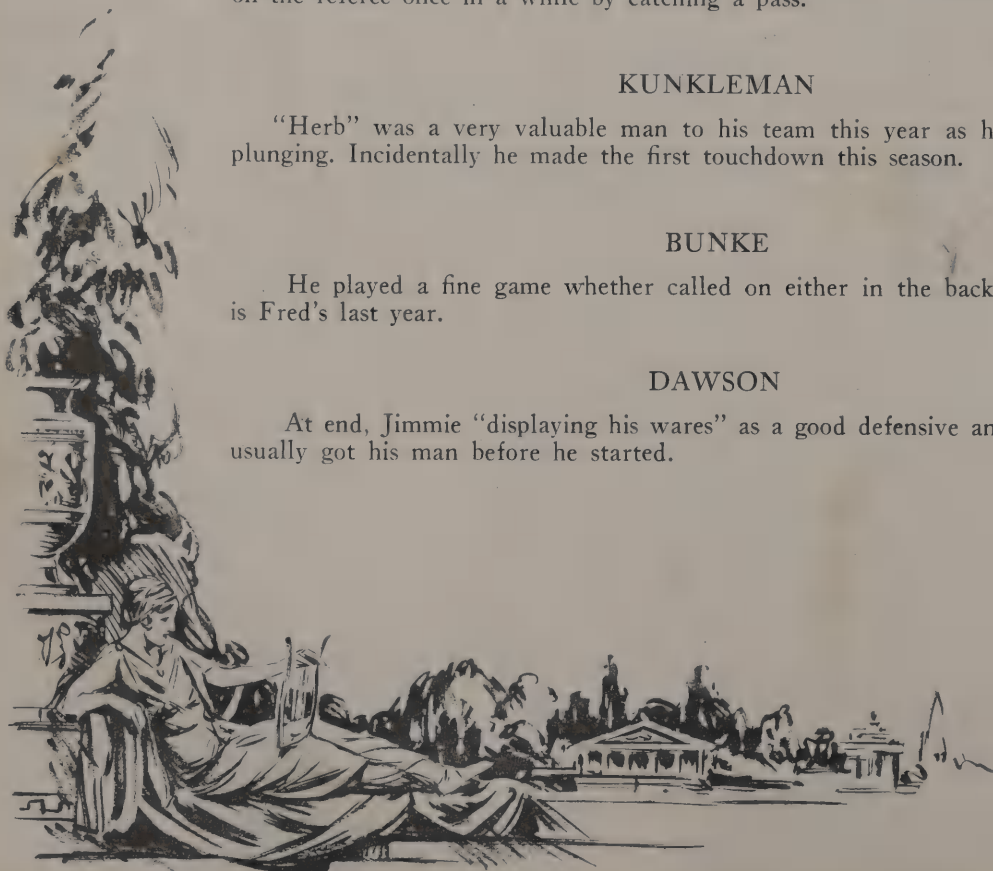

"Herb" was a very valuable man to his team this year as he did most of the plunging. Incidentally he made the first touchdown this season.

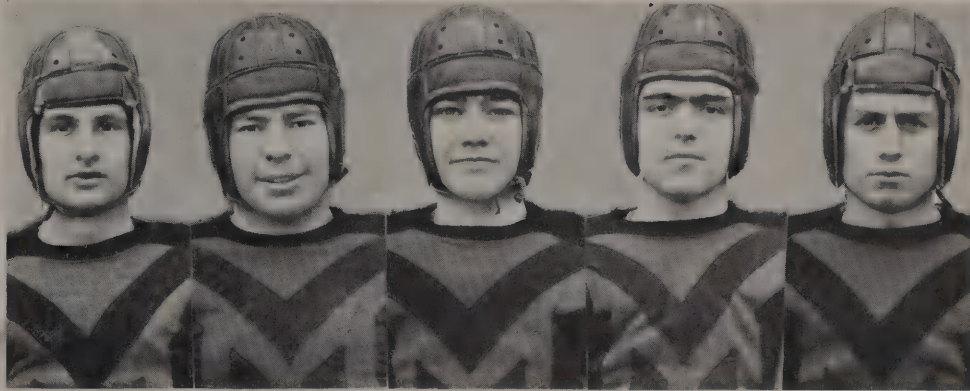

BUNKE

He played a fine game whether called on either in the backfield or end. This is Fred's last year.

DAWSON

At end, Jimmie "displaying his wares" as a good defensive and offensive player, usually got his man before he started.

PRYER

MILLER

BAIR

NEEPER

PRYER

Although this was Bob's first year on the team he played the game very well both offensive and defensive. Bob is also a Senior.

MILLER

Bob reminds one of a war tank wading into the opposition. No one stopped him, but he stopped everyone. He was able to open up holes as a preliminary for gains. He will be captain next year.

BAIR

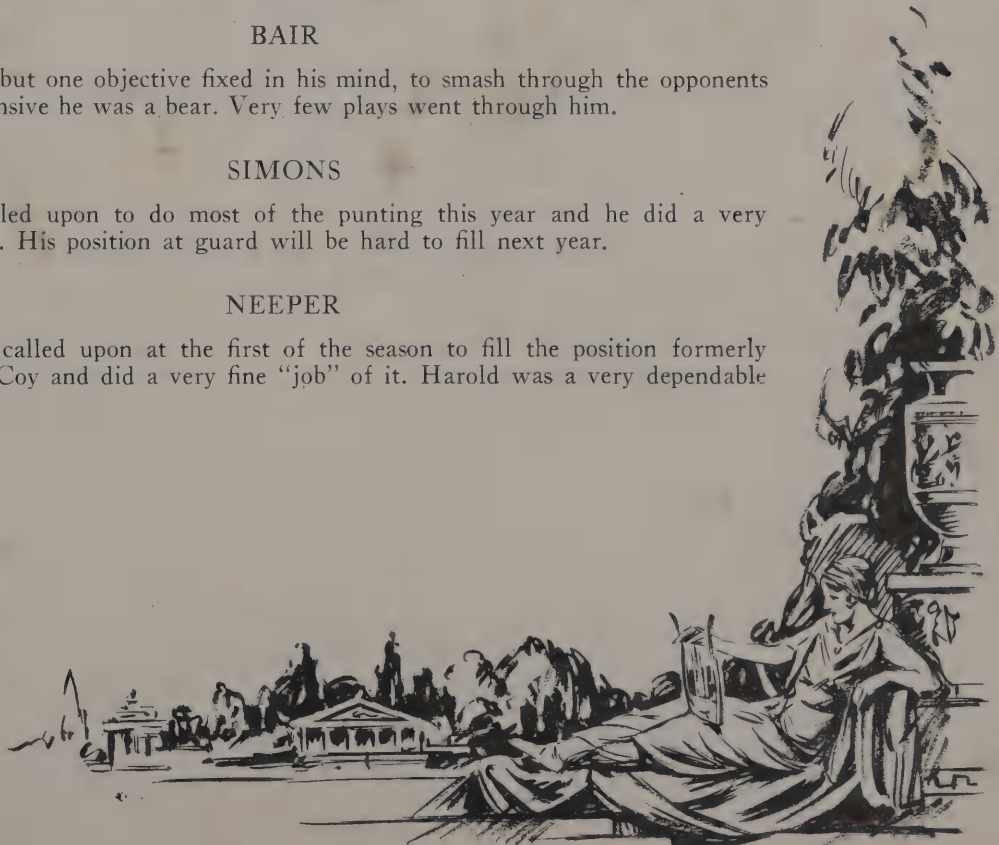

Johnnie has but one objective fixed in his mind, to smash through the opponents line. On the defensive he was a bear. Very few plays went through him.

SIMONS

Bob was called upon to do most of the punting this year and he did a very splendid job at it. His position at guard will be hard to fill next year.

NEEPER

Neeper was called upon at the first of the season to fill the position formerly held by Jack McCoy and did a very fine "job" of it. Harold was a very dependable blocker.

Boys' Basketball

THE SHAWNEE Basketball team of 30-31 was not as successful as it has been in the former years. Although we only won two games during the season, and had the toughest schedule so far, the boys had plenty of snap and never got discouraged.

With only one letterman, around whom to build a team, and one week to prepare, they lost the first game to Cridersville by a score of 32-11.

The next week the team traveled to Wapak and lost by a close score of 17 to 20.

The following night they played Lima South which was a little out of their class and got beat 32-10.

Spencerville handed our boys a trouncing of 25 to 4.

The boys lost the following Friday and Saturday to Elida and the Alumni by a score of 24 to 14 and 13 to 48 respectively.

The boys lost a close game and a real "thriller" to Columbus Grove by a score of 21 to 23.

Rockford beat the boys on Rockford's floor to a score of 16-29.

Shawnee was about to enjoy a victory over Beaverdam when in the final seconds of the game they lost out. The score was 26-28.

Here the boys gained courage and the following Friday defeated Waynesfield by a narrow margin of 26-24.

Spencerville again defeated our lads 17-32 on their own floor. two hard fought games 22-31 and 21-23.

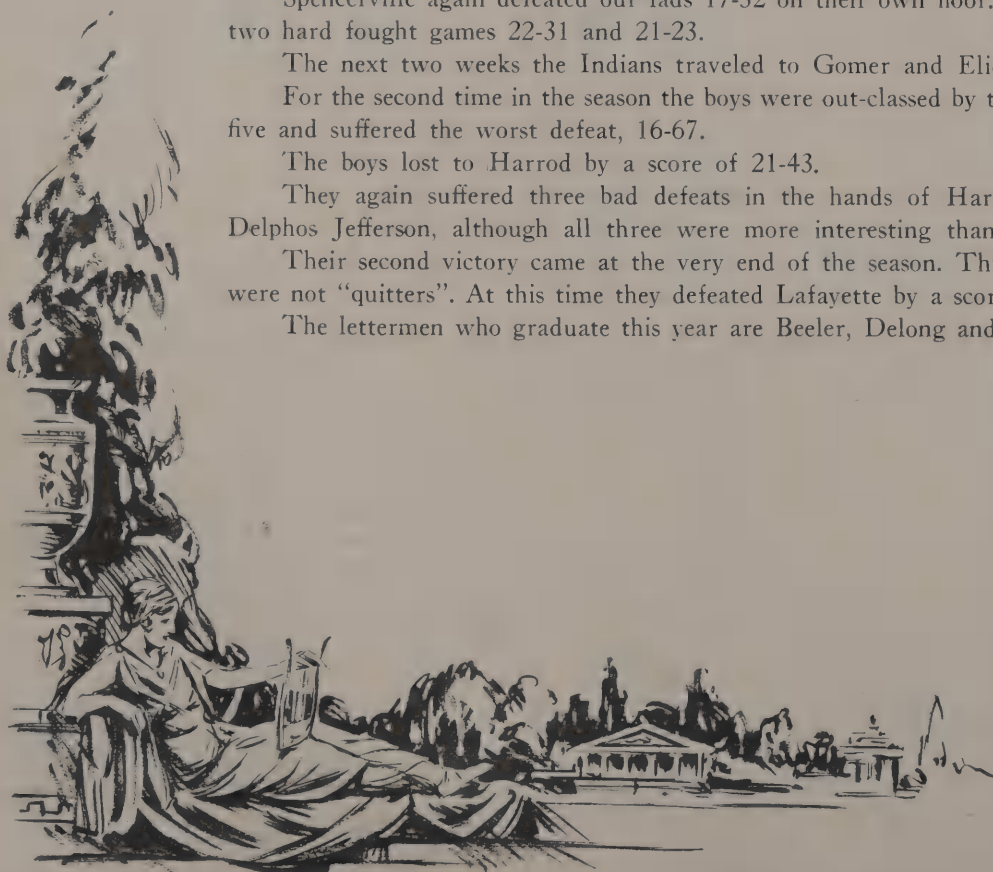

The next two weeks the Indians traveled to Gomer and Elida when they lost. For the second time in the season the boys were out-classed by the strong Bluffton five and suffered the worst defeat, 16-67.

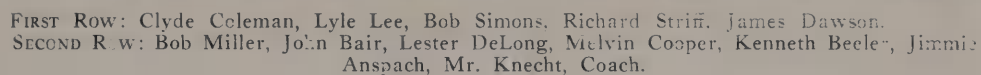

The boys lost to Harrod by a score of 21-43.

They again suffered three bad defeats in the hands of Harrod, Pandora and Delphos Jefferson, although all three were more interesting than the scores show.

Their second victory came at the very end of the season. This shows that they were not "quitters". At this time they defeated Lafayette by a score of 26-25.

The lettermen who graduate this year are Beeler, Delong and Simons.

LEE

DAWSON

LYLE LEE

"Bud" our acting captain this year played a very good game at guard. It was hard for the opponents to get a shot over, under or around Lyle. He has another year yet.

CLYDE COLEMAN

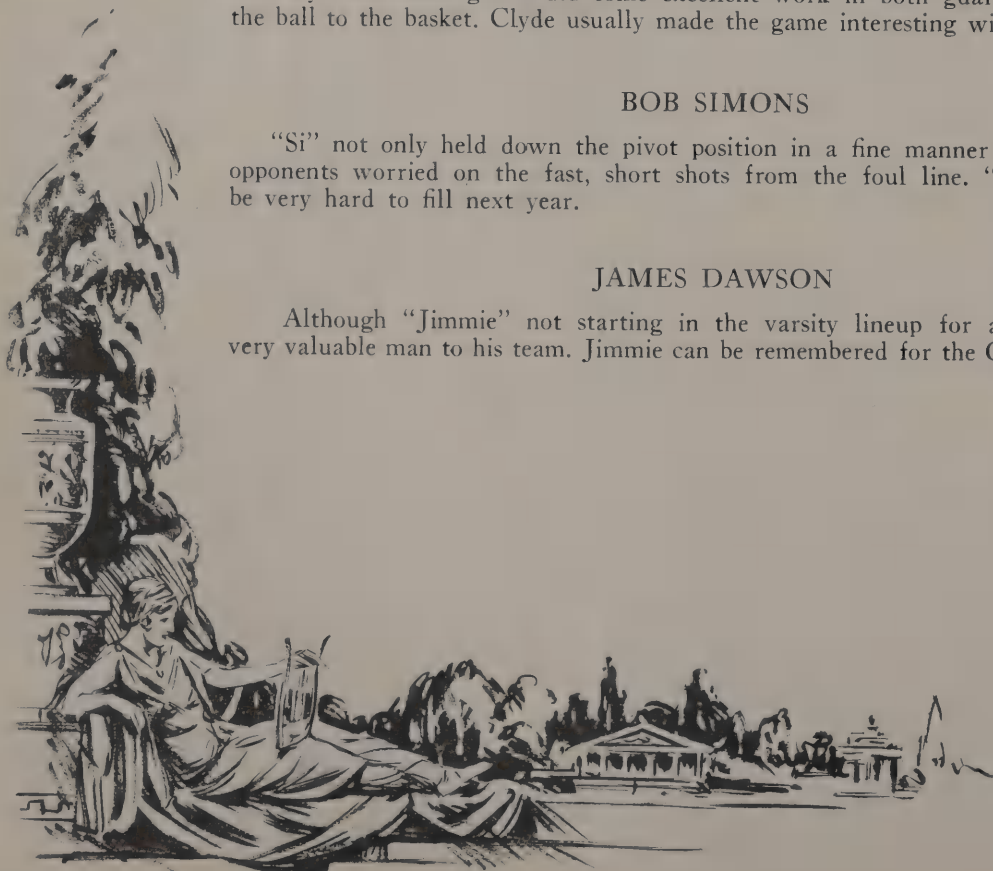

"Ty" the other guard did some excellent work in both guarding and working the ball to the basket. Clyde usually made the game interesting with his speed.

BOB SIMONS

"Si" not only held down the pivot position in a fine manner but also kept the opponents worried on the fast, short shots from the foul line. "Bob's" place will be very hard to fill next year.

JAMES DAWSON

Although "Jimmie" not starting in the varsity lineup for a while, proved a very valuable man to his team. Jimmie can be remembered for the Gomer game.

STRIFF

DeLONG

BEELER

BAIR

DICK STRIFF

In "Dick" we find a steady, consistent player. His talents include playing the floor well, being a good shot and neat passer. Dick usually brought the fans to their feet by his long, accurate shots.

LESTER DELONG

"Tod", an ideal guard, was powerful and one of the hardest working men on the squad. We'll surely miss him for this is "Tod's" last year.

KENNETH BEELER

"Beeler", our other pivot man, was called on many times. He could play this position as well as guard. Beeler usually kept the team in a scrapping mood.

JOHN BAIR

"Johnnie" showed his ability at the position of guard by his excellent defensive work. He has a good eye for the basket. John has another year to fight for Shawnee.

Girls' Basketball

OUR SHAWNEE girls of '30-'31 did not have as successful a season as they did the preceeding year; however, the fact that they played a longer season than ever before must be taken into account. The opening game against our old rival, Cridersville, was plenty fast, the game ending in a tie score 15-15.

The following week they played Wapakoneta, one of the strongest teams on the schedule, and though they played almost if not the best game of the season, they were defeated 15-14. During the same week, the girls beat Jackson Center in an easy game 21-15.

In the next three weeks they acquired a winning streak which carried them to victory over Spencerville, Elida, and the Alumni, with scores of 27-16, 20-15, 24-16, respectively. However, they were downed by Columbus Grove, one of Putnam County's strongest teams, possibly as a result of over confidence acquired from the preceding three victories. It was a close game ending 19-16.

Next, they went to Beavertown and won an easy game 24-15. Another easy victory occurred the next week when Waynesfield came to Shawnee. The score was 18-7.

During the next three weeks, the girls traveled to foreign floors, and defeated three of their closest and strongest rivals, Spencerville, Gomer and Elida, by scores of 18-16, 29-22 and 20-11.

Being encouraged by these, the girls met the visiting team of Bluffton, the County champions for years, and tied them, playing the best game of the season.

Then Harrod came over and was defeated by a score of 19-16.

Again the girls played Cridersville, this time on Cridersville's floor. Playing out of form, they were beaten badly 17-9.

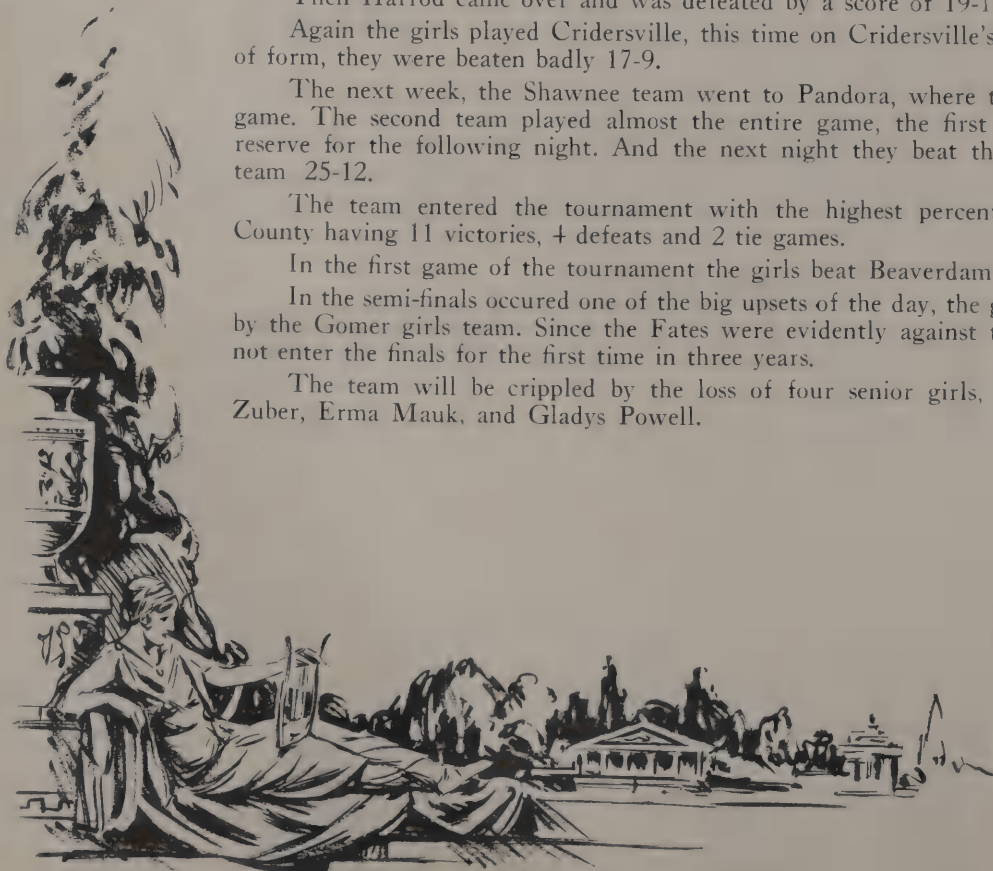

The next week, the Shawnee team went to Pandora, where they lost a sacrifice game. The second team played almost the entire game, the first one being held in reserve for the following night. And the next night they beat the strong Lafayette team 25-12.

The team entered the tournament with the highest percentage rating in the County having 11 victories, 4 defeats and 2 tie games.

In the first game of the tournament the girls beat Beavertown.

In the semi-finals occurred one of the big upsets of the day, the girls being defeated by the Gomer girls team. Since the Fates were evidently against them, the girls did not enter the finals for the first time in three years.

The team will be crippled by the loss of four senior girls, Ella Lee, Rozella Zuber, Erma Mauk, and Gladys Powell.

FIRST ROW, SEATED: Joy Day, Gladys Powell, Orlefa Sands, Carol Stewart, Lennie Burkholder.
SECOND ROW: Rosella Zuber, Breta Crites, Alice Phetteplace, Lugarda Staup, Erma Mauk, Ella Lee.

ZUBER

PHETTEPLACE

CRITES

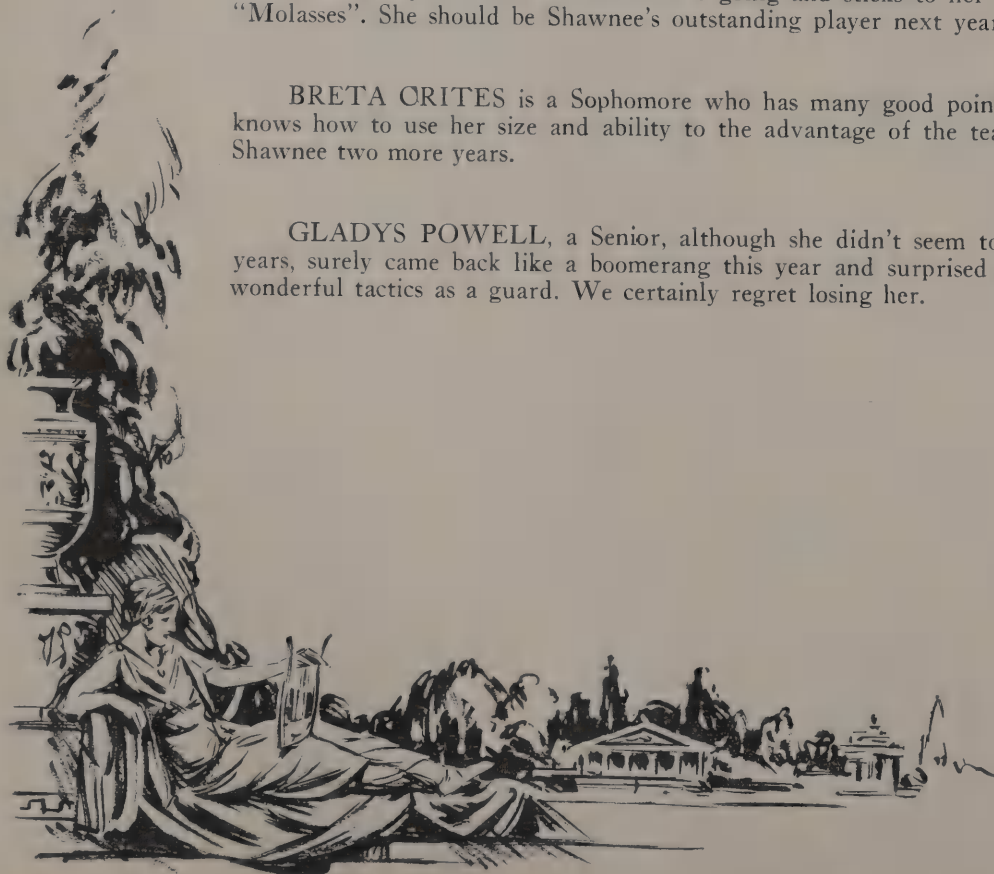

POWELL

ROZELLA ZUBER, whose wonderful ability to stick to her forward, as well as her speed and size, makes her very valuable as a guard, will not be with us next year, much to our regret.

ALICE PHETTEPLACE, a Junior who has been a letter girl the past three years, is very agile and certainly must have a gift of telepathy, inasmuch as she always seems to know just where her forward is going and sticks to her like the proverbial "Molasses". She should be Shawnee's outstanding player next year.

BRETA CRITES is a Sophomore who has many good points as a guard. She knows how to use her size and ability to the advantage of the team. She will serve Shawnee two more years.

GLADYS POWELL, a Senior, although she didn't seem to be so good other years, surely came back like a boomerang this year and surprised all of us. She has wonderful tactics as a guard. We certainly regret losing her.

LEE

MAUK

DIXON

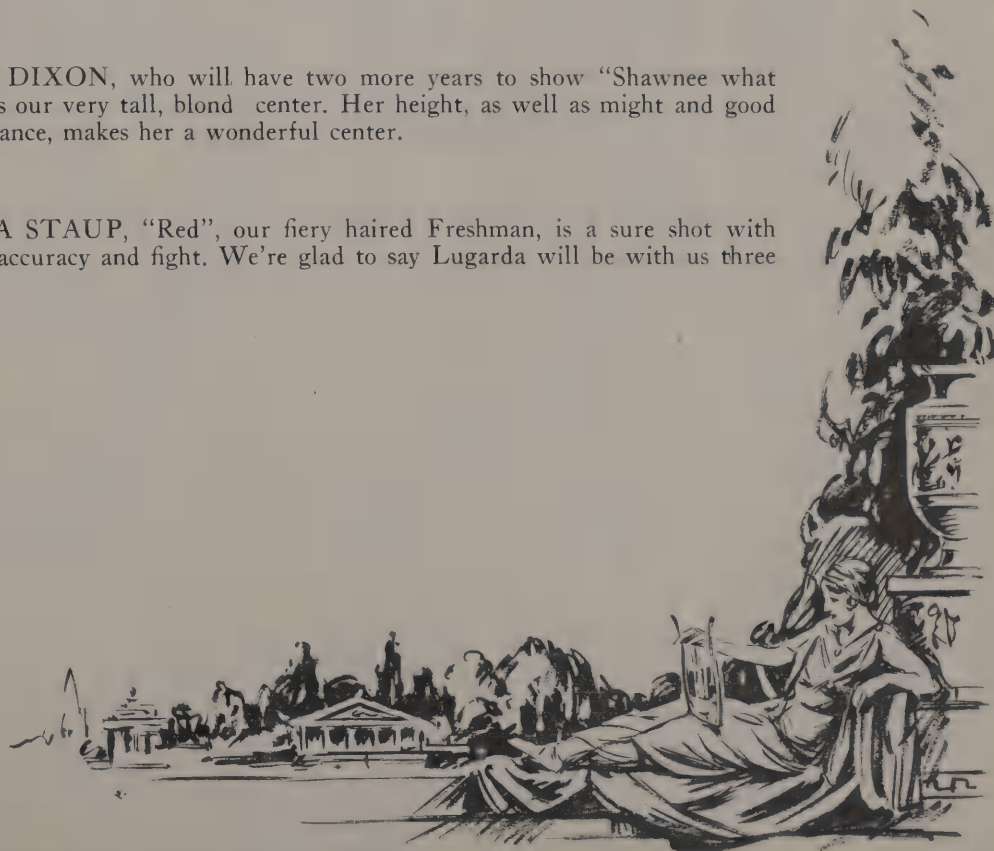

STAUP

ELLA LEE has made the team the past three years, and has been a letter forward the last two seasons. Ella has been an outstanding player whose speed has won many a game. "Dear Old Shawnee" will surely miss her.

ERMA MAUK, another senior was a very good jumping center. Even though she is not so tall, she nearly always hits the spot. She's not so bad making baskets either. We'll certainly miss her.

LUCILLE DIXON, who will have two more years to show "Shawnee what she's made of", is our very tall, blond center. Her height, as well as might and good judgment of distance, makes her a wonderful center.

LUGARDA STAUP, "Red", our fiery haired Freshman, is a sure shot with plenty of speed, accuracy and fight. We're glad to say Lugarda will be with us three more years.

FIRST ROW SEATED: Lloyd Stumbaugh, Eugene Baxter, Richard Heaston, Harold Neeper, Obediah Benedum,
SECOND ROW: Ellsworth Weisenmayer, Charles McClain, Don Shook, Herbert McCoy, Darrel Yoakum, Robert Miller, Jack McCoy, Dick Pugh, Coach.

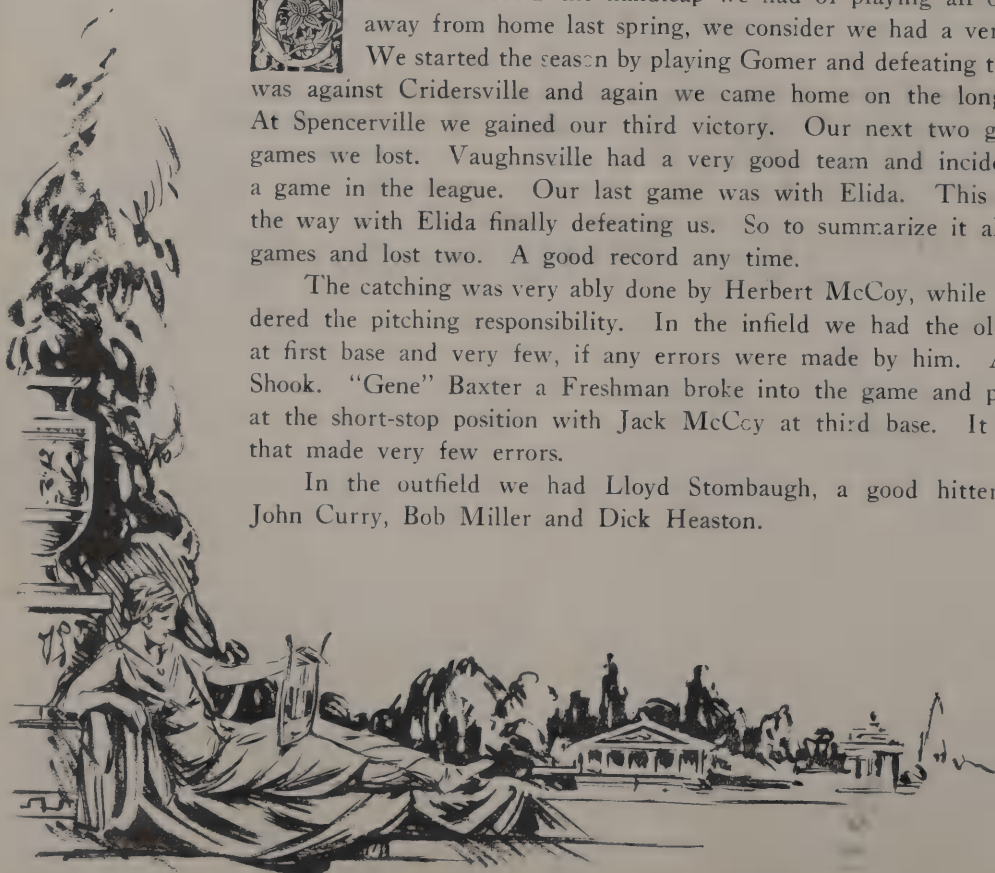

Baseball

ONSIDERING the handicap we had of playing all our scheduled games away from home last spring, we consider we had a very successful season. We started the season by playing Gomer and defeating them. Our next game was against Cridersville and again we came home on the long end of the score. At Spencerville we gained our third victory. Our next two games were the two games we lost. Vaughnsville had a very good team and incidentally did not lose a game in the league. Our last game was with Elida. This game was close all the way with Elida finally defeating us. So to summarize it all up we won three games and lost two. A good record any time.

The catching was very ably done by Herbert McCoy, while Weisenmayer shouldered the pitching responsibility. In the infield we had the old stand-by Yoakum at first base and very few, if any errors were made by him. At second was Don Shook. "Gene" Baxter a Freshman broke into the game and performed very well at the short-stop position with Jack McCoy at third base. It made us an infield that made very few errors.

In the outfield we had Lloyd Stumbaugh, a good hitter, Chuck McClain, John Curry, Bob Miller and Dick Heaston.

The Quilna Staff

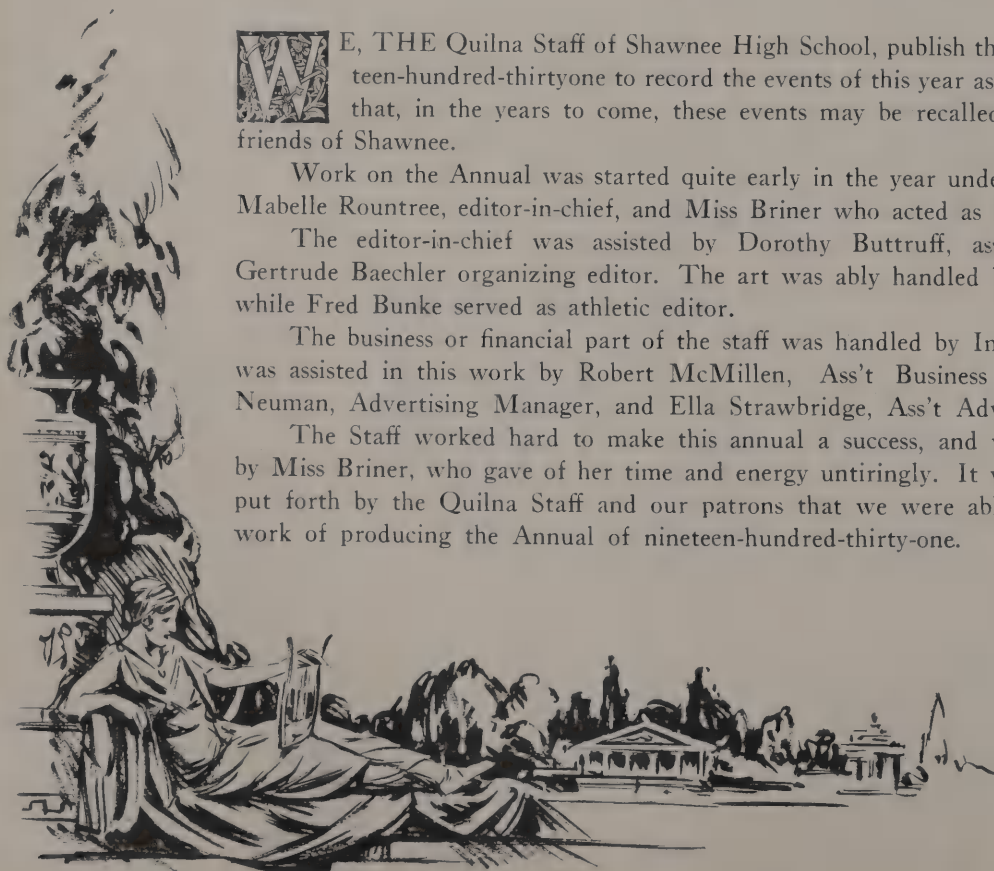

WE, THE Quilna Staff of Shawnee High School, publish this Annual for nineteen-hundred-thirtyone to record the events of this year as fully as possible, so that, in the years to come, these events may be recalled by students and friends of Shawnee.

Work on the Annual was started quite early in the year under the leadership of Mabelle Rountree, editor-in-chief, and Miss Briner who acted as advisor.

The editor-in-chief was assisted by Dorothy Buttruff, associate editor and Gertrude Baechler organizing editor. The art was ably handled by Howard Miller while Fred Bunke served as athletic editor.

The business or financial part of the staff was handled by Imogene Giffin. She was assisted in this work by Robert McMillen, Ass't Business Manager, Charles Neuman, Advertising Manager, and Ella Strawbridge, Ass't Advertising Manager.

The Staff worked hard to make this annual a success, and was greatly helped by Miss Briner, who gave of her time and energy untiringly. It was thru the effort put forth by the Quilna Staff and our patrons that we were able to carry on the work of producing the Annual of nineteen-hundred-thirty-one.

SECOND ROW: W. Kuenning, L. Lee, J. Miller, R. Simon, F. Bunke, G. Spyker, J. Anspach.

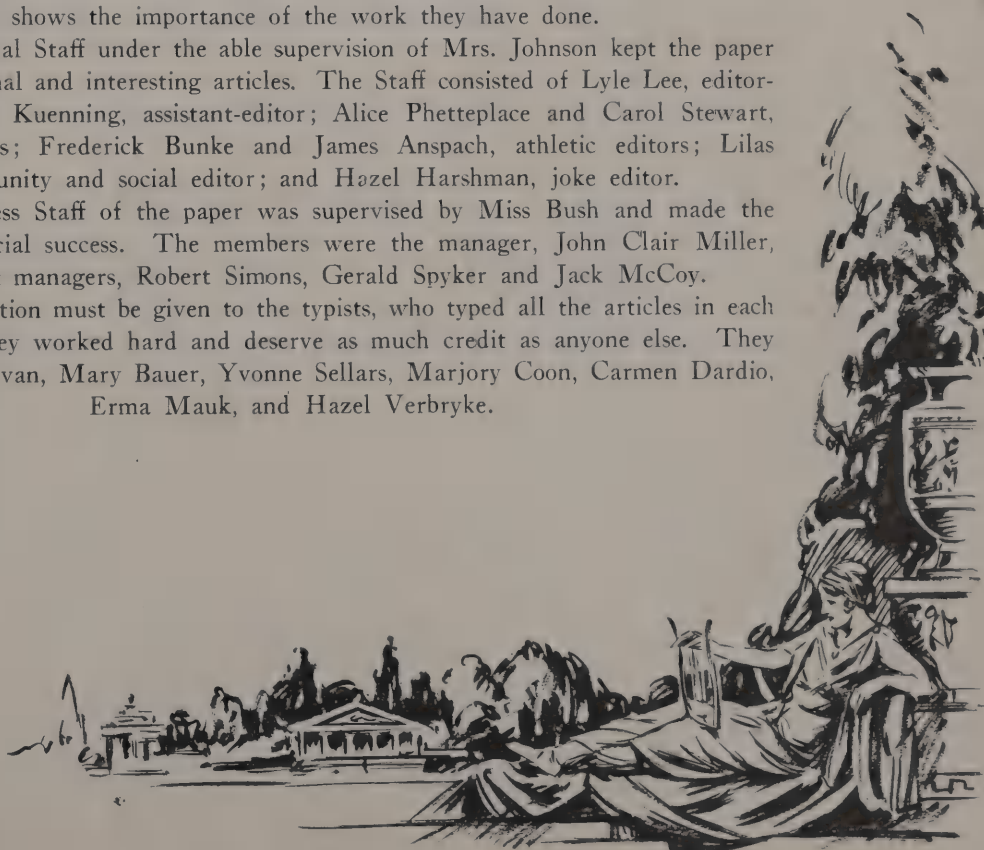

Chief Staff

THE SHAWNEE "CHIEF" Staff of 1931 has made the paper a great success and has achieved much honor. The staff members were admitted as members to the Quill and Scroll, a National Organization to promote journalism. This shows the importance of the work they have done.

The Editorial Staff under the able supervision of Mrs. Johnson kept the paper filled with original and interesting articles. The Staff consisted of Lyle Lee, editor-in-chief; Walter Kuenning, assistant-editor; Alice Phetteplace and Carol Stewart, scholastic editors; Frederick Bunke and James Anspach, athletic editors; Lilas Donovan, community and social editor; and Hazel Harshman, joke editor.

The Business Staff of the paper was supervised by Miss Bush and made the "Chief" a financial success. The members were the manager, John Clair Miller, and the assistant managers, Robert Simons, Gerald Spyker and Jack McCoy.

Special mention must be given to the typists, who typed all the articles in each issue, because they worked hard and deserve as much credit as anyone else. They were Lilas Donovan, Mary Bauer, Yvonne Sellars, Marjory Coon, Carmen Dardio, Erma Mauk, and Hazel Verbryke.

MOST SUCCESSFUL year was enjoyed by our Girls' Glee Club under the fine supervision of Miss Maxine Morris who has given her untiring energy and time in making the club a success.

The Club made several public appearances this year, giving a Concert the first part of the year and also putting across a unique act at the Carnival, which was held late in October. Our Club had the honor of sending two delegates to the State Chorus at Columbus this year. Those who were thus honored were: Carol Stewart and Ella Strawbridge.

On April 10 the Club entered the district Eisteddfod, held in Elida. We came off with second place in the Girls Chorus number and placed first in the Alto Solo and girls duet. Five schools competed against us at this contest. They were: Elida, Pandora, Gomer, Delphos, Vaughnsville, Columbus Grove and Beaverdam.

The Girls Glee joined the Boys Club to form a mixed Chorus for the presentation of the Operetta "College Days," on April 24th, which proved a great success for everyone who saw it. The money received from the Concert and the Operetta, along with a generous donation from the school board was used to buy Glee Club outfits for both the boys and the girls Glee Club. These added greatly to the appearance of the Club and helped to make the Club work all the harder.

Special vocal classes, held one period each week, have done much in the way of development of technical points in voice culture. Interest in these classes was urged by giving 1-8 credit to each member of the Glee Clubs belonging.

HE BOYS' Glee Club is growing with the School. This year, because of the large membership of our club, a few of the boys didn't get to take part in the Eisteddfod which was held at Elida.

We were represented in the State Chorus at Columbus by the following: Lyle Lee, Ralph Bowsher and Robert Miller.

A concert was given by both boys and girls Glee Clubs which was a big success.

Our operetta this year was "College Days," which the boys and girls presented. The proceeds from this operetta was to help pay for our uniforms, which the Glee Clubs, with the help of the School Board, bought early in the year.

Orchestra

UNDER the able supervision of Miss Maxine Morris, our orchestra has come along just fine this year. At first the hopes of the orchestra were not so good but toward the end of the year these hopes became high. As a whole, the orchestra had a most enjoyable and successful year.

The orchestra has had several public performances during '30 and '31, having played at the dedication of the Auditorium in the Allen County Childrens Home and at a Concert given by the Glee Clubs. Also it made its appearance at the Farmer's Institute and played for the Junior and Senior Plays.

HAWNEE Blue Triangle Club had a successful venture for their first year of existence in our school. This organization was started with a group of about forty girls who formed themselves into a working unit.

As a branch organization of the Lima Y. W. C. A. we have found a purpose in an attempt to improve three things: our Minds, our Bodies, and our Souls. These three are represented by the three sides of our triangle.

Under the direction of the advisors and cabinet a Recognition Service was held when the girls were formally taken into the club. The ceremony for this service was the most impressive and beautiful of any held during the year. With the glow of the candle light and soft singing each girl was proud to pledge herself to become a light in the shining circle.

The club has enjoyed many good times during the past year, including a Halloween Party a Kid Party and a St. Patrick's Dance at the Plezol Club rooms. May the Club grow and carry on some of the spirit so enthusiastically manifested by the girls this year.

Future Farmers of America

THE F. F. A. is an organization, Nation wide in its scope. Its purpose is to advance Agricultural Education to a higher level. Among the activities of the Shawnee Chapter during the past year has been a weiner roast, a father and son banquet, basketball and chapel.

It is hoped that by next year we can arrange a school exhibit, sponsor improved Agricultural practices, and aid in securing material for visual instruction in class.

The past year has proven Vocational Agriculture to be more popular at Shawnee than ever before and Shawnee Chapter F. F. A. hopes to help maintain this popularity. That all pupils interested in Agriculture may find a congenial group in which to develop their special interests.

Radio Club

THE SHAWNEE Radio Club was organized late in the school term and time limited us to accomplish much but great things are expected of it next year. Mr. Pugh acted as the faculty advisor. Its object is to learn the theory of radio.

The first meeting of the Club was held on Monday, March 16, 1931. The officers were elected and the results of the election were as follows:

<i>President</i>	-	-	-	BOB McMILLEN
<i>Vice President</i>	-	-	-	BOB SIMONS
<i>Secretary</i>	-	-	-	RALPH BOWSHER
<i>Treasurer</i>	-	-	-	HARRY SHOOK

The dues are ten cents a week. With this money we were able to buy a radio. With this set, we studied the theory and practical use of a radio.

The Ghost Bird

THE GHOST BIRD, a mystery comedy in four acts was presented by the Senior Class of 1930. The play concerns a life and death contest between a super-crook and a Master Mind on the police force. The crook known as the Vulture is the first to score in the contest: his arch enemy is mysteriously murdered. The crime is committed in an isolated farm house and naturally suspicion falls upon everyone in the house. Although the unraveling of the mystery is in the hands of a police detective, he receives many suggestions from a "hick" correspondence-school detective, who specializes in finger prints. This "hick", Toby, digs up the clue that finally leads to the capture of the murderer.

The vulture played by Darrel Yoakam and Toby played by Robert Bowsher were ably assisted by:

Sophisticated?

Jr.-Sr. Banquet
Big time —

Class Will

WE, THE CLASS of '31, feeling that something would be sadly lacking in Shawnee in the years to come were we to take with us all of our individual assets, have decided to pass a certain amount of these said assets to the classes to come and therefore declare this our last will and testament.

To the Juniors we leave the privileges of setting an example as seniors "should".

To the Sophomores we give permission to grow up.

To the Freshmen we give them years in which to become as prominent (??) as we have been.!

We will leave Bill McClain's ardor to Bob Miller.

We will leave Mary Bauer's bashfulness to Carol Stewart.

To Nellie Daugherty goes Mabelle Rountree's wonderful technique of mastering the ivories.

May Miranda Mougey attain Mid Umbaugh's sophistication, and how!

Lilas Donovan wishes to divide her "come hither" glances with Freda Herold.

To Walter Kuenning we leave a certain amount of Winona Miller's quiet ways.

To Brita Crites goes Rosey's "methods of over-guarding."

To Alice Phetteplace we leave Ella Lee's "Sisterly regard" for Lyle.

To Charlie Neuman goes Bob Simons' knowledge of "How's" and "Why's".

Obie has promised to do all in his power to make Lyle's hair red and curly.

We leave a few of the less interesting of Minerva's boy friends to Eva Mae Coon.

Thanks to Harry Shook, Richard Deaubler is at last going to attain some wise cracks.

Fred is leaving his violin, bow, strings, and "all", to Lulu.

Ralph is leaving his singing ability to Rolland Kunkleman.

Lawrence Spyker leaves his scientific abilities to Bob Klink.

To Herold Mertz we leave Gerald's speed.

Clyde Coleman receives Bob McMillen's radio aptness.

Eddie Cowan gets Harold's ability to pitch.

Imogene leaves her "good looks" to Mildred Sellars.

John C. Miller shoves his handsomeness on to George Corrello.

Lester DeLong wills his foul-shooting accuracy to Herbert Kunkleman.

Evelyn Tam leaves her modesty to Anna Sibert.

Ella Strawbridge's golden voice goes to Florence Lutz.

Gladys Powell's, way with teachers is in the future Dorothy Buttruff's.

Gertie Baechler's Spanish goes to Mabelle Bradford.

We leave Sox's vamping to Eileen Bradford.

Hazel Verbryke's excess weight belongs to Martha Clem.

We give Lloyd's and Harley's brotherly love to Don Fraunfelter and James Siferd.

Carmen Dardio's flirtations go to Carol Dardio.

Kenny Beeler's brains go to Johnny Bair.

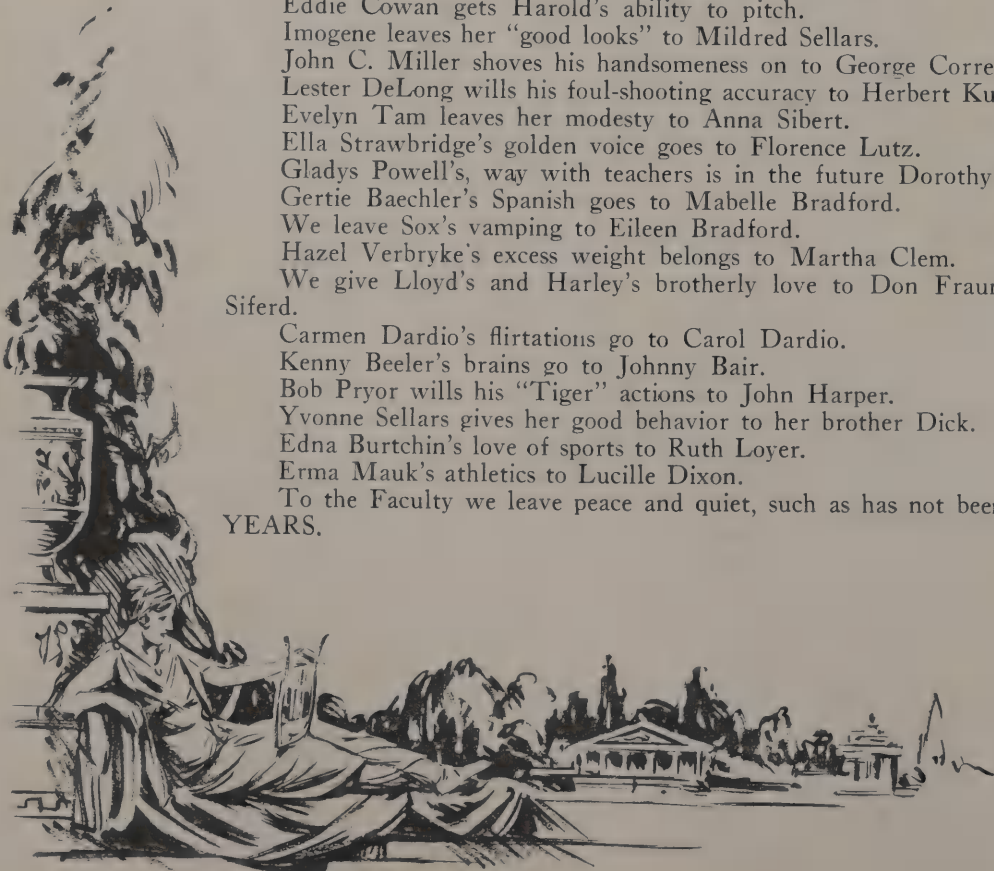

Bob Pryor wills his "Tiger" actions to John Harper.

Yvonne Sellars gives her good behavior to her brother Dick.

Edna Burtchin's love of sports to Ruth Loyer.

Erma Mauk's athletics to Lucille Dixon.

To the Faculty we leave peace and quiet, such as has not been had for FOUR YEARS.

They were seated in the glow of the fire.

"Billy, darling," she sighed, "will you go through fire and water for me?"

"Eh?" He started. D-d-do you think that will be necessary?"

"Well, darling," she continued, "one can never tell."

He looked thoughtful.

"Then I think you'd better marry a fireman," he said resolutely.

Mrs. Cumso: "How did Charlie and Mary get acquainted with each other?"

Mrs. Fangle: "They sang in the same church choir."

Mrs. Cumso: "Oh, I see! They met by chants."

JUDGE: "Give me the gist of his remarks."

WITNESS: "They were gist terrible, sir."

BOBBY: "Teacher said that beauty fades away, mummy. Is that true?"

MOTHER: "Yes, darling."

"Then why doesn't nurse fade? Daddy often tells her she's a beauty."

"She'll fade away tomorrow, dear."

BRIDE: "You must not expect me to give up my girlhood ways all at once."

GROOM: "Certainly not, my dear. Go on taking an allowance from your father as if nothing had happened."

Miss Osborn: "Have a look at the cake I decorated for my birthday party. Don't you think my sense of design is wonderful?"

Ella S. (counting candles): "Yes; but your arithmetic's terrible."

Mr. Roller: Every time baby looks into my face he smiles."

"Well," replied his wife, "it may not be polite, but it shows he has a sense of humor!"

An absent-minded motorist sat in the dentist chair. "Will you take gas?" he was asked.

"Yeah, and you'd better look at the oil, too, while you're about it."

"Are you game, girlie?"

"Possibly. Have you a hunter's license?"

"That tenor has a wonderful voice. He can hold one of his notes for half a minute."

"That's nothing, I've held one of his notes for two years."

"Do you believe in clubs for women?"

"Yes, if kindness fails."

"You don't mean to say that you worked all night? I wouldn't think of doing such a thing."

"Neither would I. The boss thot of it."

Soph: "When you sleep your noble brow reminds me of a story."

Frosh: "What story, Sleeping Beauty?"

Soph: "No, Sleepy Hollow."

A woman motorist was driving along a country road when she spied a couple of repair men climbing telephone poles.

"Fools!" she exclaimed, "they must think I never drove a car before."

Prof: "Yes, the inside of our earth is a molten mass of rock and flame."

Stude: "Ain't that hell?"

Mr. Lappin—"People living to-

Mrs. Lappin—"Here's your

Caller—"Is George in?"

Mother—"Yes, he's in."

"Do you sleep with your mouth open?" inquired the doctor.

"I've never noticed," was the sarcastic reply, "but I'll look to-night when I'm asleep."

Prof.: "I'm afraid I'll have to give you zero on your exam."

Stude.: "That means nothing to me."

The conversation of two men who met on the race course turned to the topic of strange coincidences.

"The most amazing coincidence I remember happened last year," said one.

"What was that?" asked the other.

"It was the eleventh day of the eleventh month, I lived in a house with number eleven on the door, and I backed the eleventh horse on the card in the first race."

"And the horse won, I suppose."

"Nothing of the kind. It came in eleventh."

The very thin man and the very fat one had been having an argument, and had descended to personalities.

"From the look of you," said the fat one, "there might have been a famine."

"Yes," came the retort; "and one look at you would convince anyone that you had caused it."

Edna: "Have you ever had a lesson by correspondence?"

Bob. P.: "You bet! I never write to women now."

JOHN C.—"You are my dearest; I love you with all my heart; your eyes, your lips—why, I'd give my life to kiss you!"

JUANITA: "Maybe it can be arranged."

"Have you ever been pinched for going too fast?"

"No, but I've been slapped!"

"Who wins in a chess game?"

"The one who lives longest."

She was a sight—even though she used vanishing cream!

"Ann, I hear you're sick."

"Yes, the doctor says I have the kleptomania."

"What do you do for it?"

"Oh, I take things for it."

"Do you regularly attend a place of worship?"

"Yes, I'm on my way to see her now."

"We got a new baby at our house."

"Didja turn in the old one?"
